About Chi-X[®] Japan

Chi-X Japan is a fully displayed limit order book that is fungible for settlement purposes via JSCC. Chi-X Japan is focused on providing investors with more efficient markets by offering innovative pricing models, advanced order types, risk management tools and colocation services, and by employing a low-latency, open FIX-based architecture. Chi-X Japan aims to attract new international investors, in turn increasing overall Japanese market volumes, reducing transaction costs and improving investment performance.

About Chi-X[®] Global

Chi-X Global is driven to be an industry leader in operating trading venues and generating innovative products and services for the benefit of the financial markets and the global trading community. The company believes that competition from technology-driven markets increases overall market volumes and improves investor performance, providing benefits to all participants.

Chi-X Global is a subsidiary of electronic trading pioneer Instinet Incorporated, a wholly owned subsidiary of Nomura Holdings, Inc. Chi-X Global operates Chi-X Canada, Chi-X Japan, Chi-East (a 50:50 joint venture with the Singapore Exchange), Chi-FX and the Chi-Tech technology services unit. Chi-X Australia plans to launch its market later this year.
